

HOW TO PAY

We aim to give you an estimate of the approximate cost of any treatment at your first visit.

Please come prepared to pay for your treatment at each visit.

A deposit will be asked for if your treatment involves laboratory costs.

You can pay by cash, credit or debit card or cheque (made payable to 'P. A. Borman'). However, please pay small amounts below £10.00 in cash.

You can budget for your dental health care by joining Denplan. You pay a regular amount each month by direct debit through your bank. That way you will always know what your dental care will cost. You know you will be seen promptly and you will have no sudden bills to worry about.

MISSED OR LATE CANCELLED APPOINTMENTS

Please keep your appointment if at all possible. If you would like us to confirm your appointment by telephone the day before, please tell us.

We do charge for missed or late cancelled appointments without a reasonable excuse. This keeps treatment cost down.

A *nominal* fee of **£25** will be charged for a missed appointment or late cancellation.

Please let us know 24 hours beforehand, if you or your child cannot attend an appointment.

We recognise that sometimes you cannot help missing an appointment, or being late, and we do make allowances for illness.
